

Are you going to

leave me again?

why?

does she
dress
like that
on purpose?

This
kid...

Why don't
you change
today's
out?

What?

Is

why?

There's something I want to ask.

Is

Why must you wear something like that?

Your dress.

What is it?

What
I think

This kid
really

And

page

start

she's
still so
innocent

had a
dream

Mary was
wrapped
in fire

crying

I

Sorry

wanted
to say

But

Every
time

Mary
vanish-
ed

When I
was
going to
say it

would
write up
around
that time

Will
Mary
never

Garry

laugh
with us
again?

Hey

aga

I can
still
laugh
with you

Right

Um

You've said
it earlier

Thank
you

Gany

So I
added
red

It feels
so lonely

Even
though
it's yellow

The yellow
and red
rooms
Can I
have
them

May

It won't
be that
lonely,
right?

That
way

When
are
you
coming
back?

When
are
you
coming
back?

But
it's

Thank
you

May

You'll know!

Just said!

Go wait for me!

O

For said!

Ready!

You won't forget!

Worry

Mary

It's time

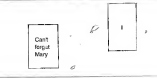

I also

like you
the most

Right?

I know

No need

...
...
...

Right

I hope the
child will be
born safely

Meet
you soon

Will
surely
be fine

I want
to

Mary

Until then,
take care

Omake

Garry and Ib

When they were
playing on the
beach

When Garry smiles, I'm
so happy...
My heart
jumps...

Then

It was
embarrass-
ing.
I wish shy...

It Garry
feels
these
words...

I
don't
know
why

You
only
said
it...

No-
thing
that

No

Garry?

Are
you
okay?

Really
I didn't
think it
would be
this
natural

by Garry

Thank you
